

# Certificate

THIS GOLD CERTIFICATE IS AWARDED TO

**British International School of Tunis**

For maintaining a grade "A" standard, free from any high risk violation for the year 2020 on  
Food safety audit

This medal rating is based on the Good Hygienic Practice (GHP) established by the Tunisian and international food hygiene standards and regulations. It's intended to provide customers with an indication of the likely standards to be expected in the establishment. It's not a guarantee of safe food or does it affect the customer's statutory rights. Conditions may have changed since this date. This establishment will be re-assessed during the next monthly audit.
